Bevans - BYE

Wednesday, June 28/Week 6

Bevans vs Feldkamp 6:00
Galbraith vs Wentz 7:00
Robbins - BYE

Since Team Robbins has 2 Bye games, at the end of this schedule if they want to challenge one of the other teams to play another game so that Team Robbins can play 5 games, they may do so. Just call Rich Toops (660-341-6618 or 8374) to let him know when you want to play this game on a night that the field is not occupied.

All games are on the Little Field (LF). The field will be marked out for coaches prior to game time. First team listed is the home team. Games will be played at the designated times on the schedule and there will be a 1 hour time limit or 3 innings per game whichever comes first. **Coaches, please remember to leave the tees and t-ball equipment in the back of the concession stand so that we do not have to track it down for games or practices. If you take the equipment off of the premises to practice, please remember to bring it back the same day/evening for the next team to practice. THANK YOU FOR COACHING!!**

Outs will be called in an effort to prepare players for the next level of play. We recommend that the score not be kept at this level, however, if both teams agree to keep score, then no runs will count after the 3rd out in each inning. Every member of each team will bat through each inning regardless

of the number of outs. The coaches and/or parents are responsible for umpiring the bases each inning.

COACHES: If your game gets rained out or cancelled, you can check the schedule in the back of the concession stand for an open night to make your game up. If you do this, please contact Rich Toops at 660-341-6618 or 8374 to make arrangements for the make-up date.
